AN ANALYSIS OF FOUR YEARS OF NAZI SUCCESS

This ROCKWELL REPORT is the first in our second year of publication. We feel that, while it is the function of the ROCKWELL REPORT to bring to light suppressed news and to comment on such news as is allowed through the Jewish paper curtain, this is an appropriate time to review for our members, readers and supporters the tactics and principles which have produced the growing success enjoyed by the movement and the party over the past four years.

Tens of thousands of sincere and relatively well-informed "patriots" are honestly convinced that our methods (the use of the swastika and the name of "Nazis"), are wrong and suicidal, even though they admit our principles and aims are right. Not a day passes that we do not get letters to this effect from well-meaning "conservatives" and other right-wingers who find their hearts gladdened by our aggressive attacks on Jew communism and race-mixing but who feel that our name and symbol create so much ill-will that we are doomed to failure before we start.

With apologies, therefore, to the veterans of this battle who have stood shoulder to shoulder with us over the past four years and who already understand why we do what we do, I shall review in this ROCKWELL REPORT the tactical calculations, strategic considerations and methodology behind every move we have made and supply examples proving the success of these tactics.

First, let me point out THAT ALL OTHER METHODS HAVE FAILED AND ARE CONTINUING TO FAIL AFTER MORE THAN 40 YEARS OF DEDICATED EFFORT BY HUNDREDS OF THOUSANDS OF GOOD RIGHT-WING AND CONSERVATIVE "PATRIOTS" AND EXPENDITURES OF MILLIONS OF DOLLARS.

The great KuKluxKlan of the '20's marched in serried ranks by the thousands down Pennsylvania Avenue in Washington and, for awhile, appeared likely to be able to save America and the white race. They are GONE! Only a squabbling and impotent remnant remains. And what does remain of the Klan, like the pieces of a chopped-up snake, are wriggling and squirming helplessly and even biting parts of itself.

America First, even with leaders like Lindbergh and great senators and representatives, is silent and gone--dashed to pieces in a few moments on December 7, 1941 in Roosevelt's treasonable, contrived attack on Pearl Harbor.

The great and courageous Father Coughlin sits isolated, defeated and helpless in Royal Oak, Michigan--crushed by the power of the Jews which was wielded by the duped hierarchy of the Catholic Church.

Parnell, of the House Committee on Un-American Activities, was dumped in jail by the Jew machine.

Forrestal jumped or was pushed out of a window.

McCarthy and McCarran are silent and dead.

The immortal General McArthur is a living ghost--his leadership wasted and scorned by our Jewish administrations.

Fighting General Walker, utterly ignorant of Machiavellian politics and, as one of our correspondents wrote, acting like "a locomotive with a full head of steam, the throttle wide open, and no tracks at all", is relatively discredited and on the way to political oblivion. The "conservative" movement has been entirely infiltrated and captured by Jews, led by Goldwater, Cohn, Schwartz and Liebman, manipulating such "limp wrist", ivory tower goody-goodies as Buckley.

The white South, with its Citizens Councils, "States Rights", Civil War "confederate" approach, has been beaten to its knees in Mississippi with crushing, Jew-dominated federal forces.

What remains for the American constitutional republic and our perishing White Race?

Can any observant and objective right-winger truly believe that we can stop the Jew-communist race-mixing juggernaut WITH MORE OF THE SAME METHODS WHICH HAVE FAILED FOR FORTY YEARS, AND EVEN PERMITTED THE

WILDEST GROWTH AND SUCCESS FOR THE ENEMY?

In spite of all the wishful thinking and empty boasting of various right-wing groups, the vilest and most arrogant kind of race-mixing steam rollers over the confused and helpless opposition of our disorganized and disparaging racists, almost all of whom mask their racism under various combinations of the Cross, the Flag and "States Rights".

The communists, with unbelievable arrogance, openly seized Cuba, only 90 miles from the shores of America, and are now arming it with missile bases all pointedly located on the western end of Cuba--closest to our nation's heart!

Two-thirds of the earth's surface and half of the living human beings are enslaved by the communist colossus with more hundred thousands and even millions being grabbed every DAY!

White, Western, Christian civilization is racing to utter catastrophe IN THE IMMEDIATE FUTURE!

This is no time for tinkering around, tricks or safe, tepid dish-water measures of defense!

The white man and his western civilization are backed to the wall! We have, at most, only a very few years--possibly only one or two--to save ourselves!

IF EVER IN THE WHOLE HISTORY OF OUR WHITE CHRISTIAN CIVILIZATION THERE WAS A TIME TO FIGHT, NOW IS THE TIME!

... BUT HOW?

Everywhere one goes in America today, one finds discouraged, despairing scared little groups of people meeting everywhere and saying, over and over again, "But what can I do?"

There are millions and millions of us, not only here in America, but in England, Sweden, S. Africa, France, Italy, Germany, Denmark--EVERYWHERE!

There can be no possible question but that these millions of helpless and frustrated people are the overwhelming MAJORITY!

According to the canards and brain-washing slogans we get 24 hours a day on TV, in the magazines and newspapers, this huge majority of white, Christian people should be able to exert their will and govern (dominate) their own nations. Can anyone question the right of Jews to govern (dominate) Israel? --or the right of Negroes to govern (dominate) Ghana? --or the right of the Chinese to govern (dominate) China?

Of course not!

But when the white, Christian people, who built America and the nations of Western Europe, make the slightest attempt even to TALK ABOUT dominating their own nations, the Jew communists and red race-mixers, the brotherhood and one-world gang, set up such an infernal hue and cry of "hate", "bigotry" and "Nazi racism", that our terrified people fall back in fear and disorder before the international organized power of the Jews and their black army!

In Africa and dozens of other places in the world, the communist mutiny of the inferiors of the earth, led by red and Zionist Jews, is taking place with naked force against the western Christian white man. In America, and most of the so-called "free" nations, this Jew race-mixing communist attack on the white man takes the form of smears, lies, illegal use of the courts and jails, and, most deadly of all, ECONOMIC PERSECUTION!

If you dare oppose the Jew communism and race-mixing, then you and your family must starve.

The Jew manipulators of all media of public information have become successful enough to turn even OUR OWN PEOPLE--most of whom secretly agree with us, into raging and frothing mad dogs who will attack us in the streets on behalf of the Jews, shouting the Jew battle cries of "hate" and "bigotry"!

In all of this, the Jew liars, manipulators and traitors seem to have all the trump cards. The tactics of all other organizations have, "on the record", proved utterly ineffectual and wasteful of time, manpower and money.

We cannot afford any more waste of what little power of resistance we have left on the SAME METHODS WHICH HAVE BEEN FAILING FOR FORTY YEARS!

Under these conditions, after five years as a frustrated toiler in the field of "conservative patriotism", I began to search consciously and purposefully for a weak point in the armor and engines of the Jew communist and race-mixing world conspiracy.

And I found it!

The liars and manipulators, until they are strong enough to seize power openly and by force, as they have in Russia and a hundred other countries, must (1) remain hidden and (2) depend on sincere and good-hearted "liberals" to do their dirty work.

In the newspapers, for instance, the Jews cannot come out openly, even in papers they own, such as the Washington Post, the St. Louis Post the New York Post, etc., and announce to the staff, "we Jews are running a conspiracy to destroy western civilization, Christianity and, most of all, the white race". As I have learned by direct experience, such an open promulgation of the Jew aims would turn the stomach and the hearts of the hundreds of "liberals" hired by these Jew wolves in sheep's clothing.

Contrary to what most conservatives and right-wing "extremists" imagine, direct experience which I have had with dozens of these newspaper super-liberals shows clearly that they are NOT communists and not even conscious that they are playing the communist game. They sincerely believe that they are fighting for "a better world", "social justice" and "humanity". Raging at them and even trying to force our millions of facts and documents on them are worse than useless. Like a father trying to tell his daughter what a rat her sweetheart is, such methods only drive the "liberals" deeper into the foul clutches of the red and Zionist Jews.

At the same time, in order to win power to DO SOMETHING about the approaching catastrophe for our race and nation, "conservatives" must learn that, in spite of what they might wish, the great masses of ordinary people are not thinkers or philosophers. The masses are moved always and only by basic EMOTIONS! As long as the sly, slick communist agitator rises in the union meeting hall and preaches shorter working hours, bigger pay, more security and other such demagogic and utopian promises, while the only opposition preaches "freedom", "individual liberty", "lower taxes", "balanced budget", "anti-communism" and bourgeois "conservatism", the common man of the masses will NEVER, NEVER, NEVER choose the fancy ideas and will ALWAYS choose the higher pay, shorter hours, and the rest of the Marxist ideological excrement.

The problem thus becomes one of (1) exposing the Jew liars to their "liberal" marionettes in such a way that the "liberals" can't help but see that they are suckers for the Jew communists, Zionists and race-mixers, (2) REACHING the HEARTS of the masses of ordinary people in such a way as to overcome the demagogic and utopian phoney promises of the Marxist labor leaders, and (3) putting some FIGHT into the dismayed and disorganized right-wing and organizing this sputtering, squabbling "force" into a real apparatus of POWER which can actually FIGHT and OPPOSE the Jew communist Zionist race-mixing machine.

The key to the problem, and the Achilles heel of the enemy is the "liberals"!

The problem we faced first was how to UNMASK the Jew con men so the "liberals" couldn't help but see them, and to act and preach in such a manner as to at least win the NOTICE of the masses. The way to do both is not to be a dainty, academic "conservative" but to be a hell-for-leather, bash-'em-in-the-head FIGHTING RADICAL!

This we have done.

The "liberals" have been taught by their Jew masters that they must tolerate and permit, under the guise of "free speech", the most radical and vicious communist treason against our nation and race. For 40 years the Jews have been building up an army of "liberals" particularly in our colleges and universities, who have been taught as the holiest tenet of their belief, that they must tolerate and permit violent radicalism while opposing "Republicans", "conservatives" and "patriots".

Our courts have been packed with "liberal" judges who are almost religious in their dedication to the "rights" of wild and radical traitors and criminals, while they are completely impatient and unjust to gentle, "conservative" right-wingers.

These courts have handed down decision after decision insisting upon the right of RADICALS to preach the rape and destruction of our white, Christian American Republic.

The last thing in the world the Jews ever expected would appear in the face of their 20-year-long massive smear campaign against Hitler Germany was an organized and fanatic RADICAL, NAZI opposition.

Since they have taught the "liberals" like zombies, to tolerate, permit and even love radicals--their trained zombies are unable to see why they should tolerate and permit violent radicals of the left while they should become completely

UN-"liberal" and tyrannical in suppressing, even by physical force, radicals of the right!

Time after time, in newspaper after newspaper and in university after university, I have been able to get cooperation and help from these radical-loving "liberals" when conservatives and right-wingers either hide or do what they can to put me out of action with lies and smears.

Just last Wednesday evening, October 9, I spoke to 1300 almost hypnotized university students at Carleton College near Minneapolis, Minnesota (with more than 500 others crowding at the windows to hear as well as they could). Many, and perhaps most of them, came to throw eggs, heckle, or even to attack me by force and violence. But after quite a few experiences with these poor, ignorant "liberal" kids at more than a score of universities and colleges, I have learned how they "work".

I asked for their attention as a "RADICAL" and I spoke as a "RADICAL"!

Not only did they listen with rapt attention, laughing when I made jokes about the vileness of queers and pansies, etc., but rising and applauding and even cheering at the completion of my speech--much to the stark horror of the Jews in the crowd! We hope to receive copies of a tape of that speech made by the university (they have promised to send it) and doubting Thomases, I am sure, will not be able to believe their ears when they hear the thunderous applause coming from hundreds of previously idiotized "liberal" kids for an avowed Nazi preaching the mass movement of Negroes to Africa and the gassing of most of our racial Jews!

In short, our RADICAL approach to "liberals" WORKS!

At the same time, the Jew and liberal "masters" of kids in colleges and universities all over America are ruthlessly FORBIDDING the students to hear what I have to say. Can you imagine the effect of this on students who have been told for years that it is not only their right but their DUTY, under the principles of "academic freedom", to hear and consider the preaching of even the most despicable and vile communist traitor preaching adherence to the Soviet enemy and the violent overthrow of our American Constitutional Republic?

If you will think about that question for a few moments you will realize how completely and devastatingly these students themselves unmask the "liberal" pretenses of the Jews and their stooges who keep encouraging them to hear communists, but use the most ruthless and tyrannical methods to PREVENT them from hearing a Nazi.

The same methods in a much less subtle and far more dramatic way are being used by the American Nazi Party to utterly smash the reputation of the Jews as lovers of "peace", "tolerance", "brotherhood" and "free speech".

Two days after my speech at Carleton College in Minnesota, five of our brave stormtroopers, led by Lt. Davids of headquarters staff, marched on Philadelphia to picket a communist demonstration and a speech by Gus Hall, leader of the openly treasonable Communist Party.

Reflect, for a moment, that the courts just recently ordered the admission of a Negro into the University of Mississippi, KNOWING FULL WELL THAT SUCH ENTRY WOULD PRECIPITATE VIOLENT AND TRAGIC REACTION AMONG ALMOST ALL OF THE PEOPLE OF THE STATE! Nevertheless, to back up the order of the courts, the Kennedys sent in more than 15,000 armed troops to force the entry of one nigger into a white university in spite of the will of the people of the state.

So three days before we planned to picket the communist demonstration in Philadelphia, and after having been beaten and/or jailed in Philadelphia, EVERY SINGLE TIME we have tried to picket against treason in Philadelphia, we went into the federal court and asked for the same thing granted the coon, James Meredith: a Writ of Mandamus ordering the police of the City of Philadelphia to uphold our rights. Although the story was squelched or played down throughout most of the nation, our court battle for police protection was front-page news in Philadelphia. The common man--millions of them--saw us denied the same rights granted James Meredith, the Negro, in spite of the utmost tragedy and bloodshed.

The federal court refused our respectful and legal request for police protection, believe it or not. So Captain Seth Ryan sent a telegram to President Kennedy requesting federal marshals to protect our plain constitutional rights in Jew-occupied Philadelphia.

IT WAS A PERFECT AND OPPOSITE PARALLEL TO THE SITUATION IN MISSISSIPPI.

Judges Denies Police Squad For Nazi Chiefs

U. S. District Judge Allen K. Grim on Wednesday denied a request by three leaders of the American Nazi Party for police protection during anti-Communist demonstrations planned for 7:30 P. M. Friday in front of the Adelphia Hotel.

The three American Nazi Party officers, Karl R. Allen, Seth D. Ryan and Ralph P. Forbes, filed a petition for a writ of mandamus in the District Court on Tuesday against Police Commissioner Albert N. Brown.

The American Nazi Party, they said, will protest by "lawful picketing" the appearance of Gus Hall, Communist Party leader. They told the court that during previous demonstrations here they had not received proper police protection.

In denying their request, Judge Grim pointed out that the Supreme Court has abolished the action through which they were seeking the court order. He added that they had not proved that the Police Department went beyond its proper power in maintaining law and order in the streets.

Forbes, who took the stand during the hour-long hearing, described the organization as a candidates on the ballot for election in Virginia next year, and sometime later in Pennsylvania.

By HARRY BELINGER

Five goose-stepping, swastika-wearing disciples of hate owed their good health today to the kind of Philadelphia police protection they claimed they couldn't get.

An army of 150 steel-helmeted cops, led by the department's top brass, held off an angry, shouting crowd of 2,000 outraged citizens outside the Adelphia Hotel last night.

Had the cops been less efficient, the American Nazi Party "storm troopers" would have landed in hospitals here instead of being packed off to their Arlington, Va., headquarters under $2,500 bail each on inciting-to-riot charges.

BATTLE LINES for last night's mob scene began shaping up when the Philadelphia Social Science Forum scheduled a meeting in the hotel with Gus Hall, one of the nation's top Communists, as the featured speaker. The Forum is on the U. S. attorney general's list of subversive organizations.

George Lincoln Rockwell's minions went into U. S. District Court here on Wednesday, said they planned to picket the Commie meeting, demanded vainly court guarantees that local cops protect them during their marching protest. It was an obvious publicity pitch, but it worked to perfection.

When the "storm troopers" drove up to 13th and Chestnut Sts. shortly before 7.30 o'clock last night, 150 cops and 2,000 muttering citizens were waiting for them. Hall, darling of the American Communist Party, meanwhile was spouting off inside the hotel that America's free enterprise system "was doomed."

THE FIVE NAZIS, wearing swastika armbands, khaki uniforms and black jackboots, left their car on 13th St. and marched around the corner to Chestnut St., near the hotel's main entrance. They carried four picket signs, some of which read, "Karl Marx was a crackpot." . . . "J. E. Hoover was right" . . . "Communism is treason."

"Kill them," shouted hundreds massed on the south side of Chestnut St. across from the hotel. The mob began to press hard against a solid wall of cops. Six men managed to break through. They dashed across the street, were stopped by a solid ring of cops around the cringing Nazis.

The battle was joined and Police Commissioner Albert N. Brown and Chief Inspector Albert J. Trimmer were in the midst of it.

THE PUSHING, shoving, wild punching went on for several minutes. A number of persons, including two cops, were knocked to the ground before the not-so-brave Nazis were loaded into a police wagon and whisked off to the 20th and Pennsylvania Ave. police station.

Three of the irate citizens, one with his shirt torn off, were placed in a police car until they cooled off. Then they were released. Others were restrained—some with police headlocks — as they tried to move across Chestnut St.

"It's all over . . . let's all go home," Inspector Frank Rizzo urged the crowd.

The nazis, Bernard Davids, 21; Robert Sharp, 24; Bernard Cook, 28; Edward Kester, 19, and Paul Uhrig, 18, all of Arlington, Va., were given immediate hearings by Magistrate E. David Keiser.

Police Capt. James Keane told of the events, then was asked by Keiser if the Nazi uiforms triggered the riot.

"Definitely," said Capt. Keane. Then he held up the swatiska armbands and the picket sings.

Asst. Dist. Atty. Michael Smith suggested that bail of $1,500 be set. Keiser replied, "Since these men are from as far away as Virginia, I'll set it higher, $2,500 each for a further hearing Friday."

At the abortive police protection hearinlg last Wednesday, U. S. District Judge Allen K. Brim had said that wearing of the Nazi swastika "is enough to create disturbance. There are many persons in this country who lost husbands, wives and loved ones during the Nazi regime."

ADELPHIA HOTEL manager Frank A. McNellis said the hotel was unaware of the nature of the Social Science Forum when it agreed in August to lease of roof garden for last night's meeting. That was, McNellis said, before the group was labeled a subversive organization.

Hall's audience inside totaled about 200, most of them students.

Orderly Reception at Carleton Catches Rockwell by Surprise

By JIM SHOOP
Minneapolis Star Staff Writer

NORTHFIELD, Minn. — Democracy is "as rotten as communism, except that democracy is more hypocritical about it," George Lincoln Rockwell, self-styled American Nazi Party leader, told a Carleton College crowd here Tuesday night.

More than 1,100 students and faculty members in Skinner Memorial Chapel, a non-denominational church and assembly hall, heard Rockwell say the only "antidote to the poison of communism is naziism."

The 19-year navy veteran who worked up from seaman to commander and earned 12 battle stars and nine other decorations before resigning after the Korean War, opened his hour-long speech by saying the event was unusual for him because "I usually get attacked or shot at."

There were no incidents. Students alternated with polite silence, muffled snickers and unmuffled laughter.

Difference

Rockwell said his Nazi party differs from Hitler's in Germany in that it doesn't believe in killing people and doesn't want a dictatorship.

Declaring the backbone of Rockwell naziism is racial purity, he said man is an animal with the same inferior and superior qualities as Holstein cows or well-bred dogs. "Is it hate to want to breed a good bull to a good cow? I say it's science."

He protested several times that his Nazis never "persecute or hurt anybody because of race, creed or color." He said "We Nazis tell the Negro, 'We don't want to hurt you, but we are more intelligent than you and we don't want to live next door to you.'"

Referring to the racial mixtures of South America, Rockwell said "I don't want to persecute them or hurt them, but they are a sorry bunch of creeps down there."

He said the only people the Nazis hate are "traitors to this white Christian republic."

Blasts Press

He said the federal government is paralyzed by "queers, lobbyists and Communists." Rockwell labeled Anna Rosenberg, former assistant secretary of defense under President Truman, "a Trotskyite Communist," President Kennedy "a crypto-Communist," and Negro civil rights leader Dr. Martin Luther King "a member of the communist conspiracy." Rockwell supplied no evidence.

He blasted newspapers, radio and television for failing to air his views. Some 20 representatives of all three media covered his talk.

Rockwell looked blank when a roar of laughter followed his remark that students usually lead communist riots in foreign countries by snake dancing. He was unaware that a Carleton tradition will be repeated Friday night when members of the freshman class snake-dance onto the football field between halves of the game.

He drew another howl when he referred to members of the right-wing John Birch Society as "the bloomer girls of the nazis—old men who wouldn't fight when the chips are down."

The Nazi timetable, he said, calls for taking over the American government through the elective process by 1972.

NAZI LEADER

Rockwell Asks U. S. 'Fanatics'

By GARY PALM
Staff Writer

NORTHFIELD, MINN. — George Lincoln Rockwell, self-styled fuehrer of the American Nazi party, espoused his doctrines to an overflow crowd of 1,500 Carleton college students and faculty members Tuesday night.

Speaking in the college chapel, Rockwell said, "Americans must become fanatics for their country, their white race and what they believe in.

"To fight fanatical Communism, we must eliminate apathy in America.

"Communists are dedicated," he added. "We have become apathetic to our free enterprise system and our constitutional republic."

Rockwell said his four-year-old organization is not a "German or Hitler-type party. Our members are mostly veterans who are dedicated to their country and their race."

Rockwell said "his fanatical, disciplined army" is campaigning to make Americans aware there are "traitors in government in high places.

"Kennedy is a crypto Communist," Rockwell said, "who is aiding the Communists gain world domination."

Carleton students were lined up outside the chapel more than an hour before Rockwell was scheduled to speak. Approximately 1,100 heard him talk in the chapel, while several hundred more listened through windows.

Rockwell explained, "I have come not to agitate but to educate. I'm not wearing my Nazi uniform in hopes of not creating any demonstrations."

He was accompanied by five "storm-troopers" from his American Nazi party.

"Our program," he said, "is one year ahead of schedule. We plan to be able to take over the government through elective channels by 1972."

The students and faculty sat quietly through most of Rockwell's speech, laughing every now and then at one of his jokes.

Plainclothes Northfield police and Rice county sheriff's deputies were in the audience and around the campus.

Nazi Rockwell Claims Gains

By DICK CUNNINGHAM
Minneapolis Tribune Staff Writer

NORTHFIELD, Minn.—The leader of the American Nazi Party said here Tuesday night he is one year ahead of schedule in his drive to become president of the United States.

George Lincoln Rockwell, 44, Arlington, Va., spoke to more tha n1,000 persons, mostly Carleton College students, in the Carleton Chapel. He spoke under the sponsorship of Challenge, a student organization which brings controversial speakers to the campus.

ROCKWELL, a former Navy lieutenant commander, brought five of his Nazis with him. There were at least 12 special sheriff's deputies in the audience.

Many students were turned away for lack of room. A Negro group was not admitted because it could not identify itself as an organization listed with the state government. Rockwell is an admitted racist.

Rockwell

The audience was polite. Its loudest reactions were laughter at some of Rockwell's statements. Occasionally there were groans.

Rockwell said the enemy is communism, and that Communists are fanatics.

Four years ago Rockwell said he decided, "the only answer was to build up a fanatic, disciplined army of counter-fanatics."

"My men are so disciplined they will go on any mission I send them on. So will Elijah Muhammad's (leader of the Black Muslim movement). And so will the Communists. These are the only three groups that will die for what they believe."

Phase one of his operation was to "do everything legal to get known, to break the paper curtain and the quarantine treatment" that he said have been set up against him.

Phase two is "to disabuse people of the screwy ideas they got about us.

He said phase two is beginning now, a year ahead of schedule and will take six years.

Phase three, he said, "will be to take you and organize you into a political regime."

Phase four will be "running for president and being elected in 1972."

As soon as he is elected, Rockwell said, he would call a constitutional convention the principle aim of which would be to repeal "the 16th amendment, which made citizens of Negroes."

"That way we'll make this a decent country again for the white Christian Americans who built it."

by Gus Hall, more than 500 Jew War Veterans and other Jews and communists making up a mob of over 5,000 brutally and viciously attacked our brave lads who were carrying signs such as: "Communism is Treason", "J. Edgar Hoover was Right! Communism is Treason", "Go Home Gus Hall!", etc. The police did not club or arrest these Jews. They did not fire tear gas. They put no Jew rioters in the insane asylum. There were no marshals, no soldiers and no protection for our martyred boys who were beaten bloody to the ground by this hate-crazed mob of screaming Jews and communists.

The police then arrested ALL of our boys and charged them with disorderly conduct, inciting to riot and breach of the peace--AND DID NOT ARREST OR CHARGE A SINGLE JEW!

Again, this was quickly suppressed by the Jew dominated news media. It made the early editions of the newspapers and the early TV broadcasts and then disappeared!

Nevertheless, literally millions of ordinary Americans saw this incredible outrage or heard news of it and began wondering what the hell was going on. We had several observers in the crowd and almost universally, the non-Jews were muttering in horror and disbelief at the Jews' attack on the anti-communists--without a single peep from the Jews or any of the police against the communist agents of the Soviet Union and the traitors!

Our brave men are now in one of the foulest prisons in the country, Moyamensing in Philadelphia under the kind ministrations of Warden Solomon Bookbinder and his all-black herd of guards, under impossible bail of $2500 each! We have no such sums to get them out, of course. (Which is one of the reasons why we lose patience and get angry when profiteers like Hargis, Schwartz and Buckley are raking in the thousands and living in luxury for talking up a storm while we do the fighting and going to jail almost penniless!)

But in spite of the agony and misery of our little-understood battle, we are making incredible headway.

We HAVE reached the masses, and we HAVE reached their hearts!

Those who do not believe this, should see the reaction of gentiles who drive or walk by our demonstrations against communist and race-mixing treason. In spite of themselves, these people are so damned grateful to see some opposition, other than talk, pamphlets and private meetings, against these red rats and race-mixers, that they openly CHEER us!

To reach the third group--the right-wing, we have been forced to use distasteful and much misunderstood tactics: embarrassment and gentle pressure. As an example, We the People recently had a meeting in Chicago attended by hundreds of well-meaning conservatives who have been pouring out their money, their efforts and their hearts to "save America" without mentioning WHO the enemy is (the Jew) and his vicious anti-American, anti-white-race nature.

I am aware that these people keep preaching privately that they are being "clever" in thus not mentioning the enemy. But 40 years of failure and despair should have taught these people that such "cleverness" only permits the Jew to continue his depredations and treason undisturbed and fosters the already too prevalent belief that the Jews are simply too powerful even to mention.

You can't fight what you won't admit exists--much less conquer it, so 20 or 30 of our young men attended Mr. Hargis' lecture at We the People when this rotund preacher began demanding the thousand and 500-dollar bills "quickly now!"--Captain Matt Koehl, of our Chicago headquarters, jumped up and said, "I will offer $10,000!" At this, Mr. Hargis almost fell off the stage with joy until Captain Koehl added, "PROVIDING you will admit to the people that COMMUNISM IS JEWISH!"

All our men were arrested, of course, but most everyone sitting around our boys was whispering, "God bless you!" The right-wing is ready and more than ready for courageous and honest leadership. But courageous and honest men cannot lead until the profiteers, the cowards and the fakers are exposed for what they really are.

Thus, to sum up, we have FORCED the Jews to expose THEMSELVES to the three key groups we must win: (1) the sincere and good-hearted but misguided "liberals", (2) the brain-washed, easily-led masses of youth and working people, and (3) the divided, squabbling and Jew-ignorant right-wing "conservatives"!

The proof of the pudding is success, and, while we are still unbelievably poor because of the fear and belief in easy methods of most right-wingers, we have attracted thousands of FIGHTING, YOUNG MEN! We have had to weed out literally hundreds of these for character defects,

lack of responsibility or cowardice. But the cream of the elite which we have gathered and forged into an iron-hard machine is increasingly able to attack and wound the Jew-communist-Zionist dragon which has our country and our white race in its filthy clutches.

Like St. George attacking his dragon, we are small and few give us much chance to survive, much less beat the vicious enemy. But we have something not available in any other right-wing group in America, DEATH-DEFYING FANATICISM!

Many people mistakenly deplore fanaticism, but they forget that every great deed which has advanced our race, our civilization, and the careers of all great men has been the result of burning FANATICISM.

Christ was a "fanatic"! Galileo was a "fanatic"! Washington, Franklin and Sam Adams were "fanatics"! The Wright brothers were "fanatics"! Every man or woman who has ever succeeded in doing a great "deed" (i.e., anything which all the rest of the world says is impossible) has HAD to be a "fanatic"!

The communists are utterly dedicated and death-defying "fanatics"! Hundreds of times they have demonstrated and willingly immolate themselves for their "cause"--the destruction of white, western, Christian civilization.

Such a flaming juggernaut of raging power cannot be stopped, much less be turned back, by "National Review" regardless of how clever and literate its contents. It cannot be stopped by the heartfelt prayers of unhappy millions of Christians, any more than Genghis Khan was stopped by prayer, but only by the swords of our heroic ancestors. Billy James Hargis and his ilk can pray and pass the collection plate 24 hours a day, but the fire-breathing beast will not stop for them either. Even the racist and anti-Jewish journalistic threatening of the "Thunderbolt", regardless of the number of its post office boxes and its private meetings, has not, and will not, turn back one nigger from the University of Mississippi nor from the Alabama schools, which are next on the list. It is time for the white man to put an end to "conservative" nonsense , seize up the mighty sword of his white forebears and ATTACK the red beast as a RADICAL!

To hell with conservatism! To hell with easy ways! To hell with talk, post office boxes and private meetings! The Jews and reds and race-mixers are on the march! They are out in the STREETS!

If the white race is to survive, the monster must not be talked about or written about--it must be KILLED!

To kill it, we must ATTACK! --in the streets--in the red meeting halls--in the union halls--in the communist speaking grounds, like Union Square--everywhere the Jew-communist-Zionist race-mixing machine sticks up its ugly Marxist face.

Smash it!

Crush it!

Kill it!

A new force has arisen at last in America on the side of our white, Christian forebears--the YOUNG FIGHTING MEN OF THE AMERICAN NAZI PARTY! There are not many of us because we demand only the bravest and the best!

The heroic spirit of our bearskin-clad Viking forebears has revived in the beating hearts of daring young men all over this great country--and wherever white men live on this planet.

It is this new FORCE which is rising at last to conquer the nameless monster which has arisen from the depths of everything infamous in history and threatens to overwhelm the white man and his western civilization.

The aggressive, rising force of YOUNG, WORKING MEN in the American Nazi Party is bursting forth all over America--and the WORLD!

The illegal Jew prosecutions and jail can't stop us! The beatings can't stop us! The starving and privation can't stop us! NOTHING can stop the masculine, driving force of outraged young, white fighting Americans!

Victor Hugo said, "Greater than the tread of mighty armies is the power of an idea whose time has come".

The time of the white man's NAZISM HAS COME!!
